Acacia Wood EGG Mates

17.5 x 11 inch (44 x 28 cm)

The **NEW** Big Green Egg Acacia Wood EGG Mates – 17.5 x 11 inch (44 x 28 cm) – are crafted from sustainably harvested acacia wood with strong mortise and tenon joints – the preferred style of joint for quality furniture and cabinet work. The Mates are finished to match the EGG Handle and the Big Green Egg Acacia Tables for consistency within the product line.

Exclusive Big Green Egg design

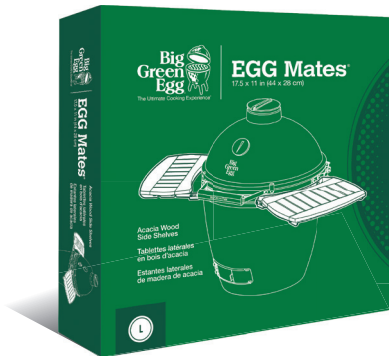

No visible screws from above

Same size as current Wooden Mates

Same brackets as current Mates

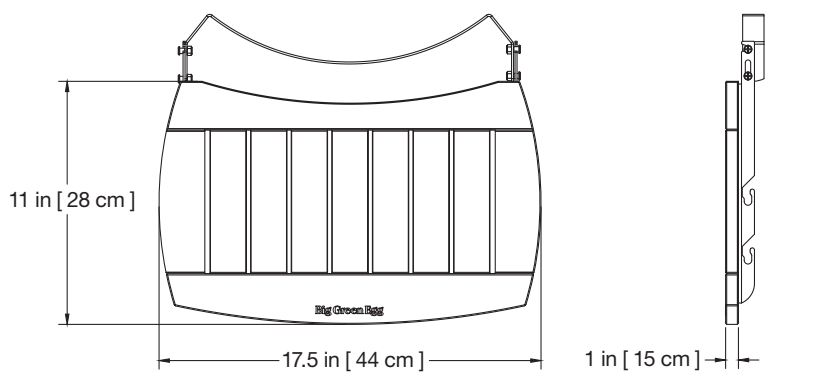

Light coating of oil with UV stabilizers

Mortise and tenon joints – strong, durable, and affected little by expansion or contraction due to temperature and humidity changes
